VOTED #1 NURSING HOME IN CLOVIS!

Rehabilitation Services

Providing Physical Therapy, Occupational Therapy and Speech Language Pathology

Nurse Practitioner Available

Short term stays are available following a qualifying hospital stay with or without surgery. When discharging from a hospital you may require additional care before you are able to safely return home. Post hospital rehabilitation and skilled nursing care is a high level of medical care provided in an inpatient setting. Your treatment and length of stay will vary depending on your illness, injury or medical condition. Contact us today to see if you qualify.

What Rehab Can Do For You

- Increase strength, endurance and range of motion
- Alleviate lower back discomforts
- Increase your flexibility and mobility
- Decrease or resolve incontinence problems
- Reduce joint pain and stiffness
- Instruct on use of adaptive equipment
- Work with you in your environment if you have visual challenges
- Increase speech abilities
- Improve memory with strategies
- Reduce difficulties when eating
